WINZER KREMS RIESLING KREMSTAL KREUZBERG RESERVE 2023

Very crisp and clean for a medium- to full-bodied dry riesling, so you don't feel the 13.5% alcohol. Stacks of red apple, clementine, orange and jasmine aromas give it lots of charm, while the touch of salted butter character provides very good tension. Long, pure finish that pulls you back for more. Sustainable. Drink or hold. Screw cap.
