**KREMSER PFAFFENBERG Riesling 2017  
Kremstal DAC**

Anne Krebiehl MW: „Just a touch of passion fruit amid the wonderfully pure lemon nose suggests generosity. The palate is zesty and juicy, with a lovely, tingling and pure freshness that is quite invigorating. That lovely zestiness runs from beginning to end and culminates on a dry, mouthwatering finish.”

**KREMSER WACHTBERG Grüner Veltliner 2017  
Kremstal DAC**

Anne Krebiehl MW: “Lemon, celery and miso on the nose present a very appetizing combination. The miso and yeast flavors become stronger on the slender but rounded palate. This is full of flavor and finishes with slight pepperiness.”

**EDITION CHREMISA Grüner Veltliner 2017  
Quality wine, dry, Niederösterreich**

Anne Krebiehl MW: “Pear peel, yeast, miso and crushed sage make for an enticing, savory nose. The palate still tingles with freshness and presents ripe pear and aromatic citrus that centers on a firm, textured core of salty yeast and lemony pith. This is concentrated and long.”
