

WINZER KREMS GRÜNER VELTLINER
KREMSTAL RIED GOLDBERG
KELLERMEISTER PRIVAT 2022

Here's an immediately appealing gruner veltliner that's brimming with sliced pear fruit and has plenty of the white pepper aroma typical for Austria's signature grape. Also, notes of caramelized apple and spring blossoms. The medium body and lively acidity underline this charm nicely through the juicy finish. Why wait? Drink now. Screw cap.
