Analytics

Alcohol	13,0 % vol.
Acidity	5,4 g/l
Res.sugar	3,1 g/l

Characteristics: Brilliant chartreuse, classical fruity bouquet, strong, rich nuanced taste with lively acidity, impressions of fine, peppery Veltliner flavor on the palate; a complex, very typical Grüner Veltliner of a loess soil.

Drink time: Excellent to drink already now but has a storage capacity of 3-5 years, at ideal storage conditions even longer.

Service temperature: 10 – 12° Celsius

We advice: Very good to bright meat (chicken, calf, rabbit) or baked carp, as well as to bright inwards (sweetbread!) and cold fish starters; also goes well with Austrian classical dishes such as Viennese Schnitzel and roast pork.
