Acidity	6,2 g/l
Res. sugar	7,5 g/l

Characteristic Bright yellowish-green, intensive fruit nose of green apples, gooseberry, gentle mace and elderflower. Despite of the low alcohol, exciting body on the palate. Spicy with fruity acidity-finish. Slight like a hawkbit!

Best time to drink Drink young! Best to enjoy during the first summer after harvest!

Serve temperature 7 - 9° Celsius

We advise Great choice as an appetizer. Due to its exotic aroma the wine is also an excellent companion to the Chinese cuisine but also perfect to drink it icecold on a mild summer evening!
