Lower Austria

Viticulture area Loess and clay soil

Analytics

Alcohol	10,5 %vol
Acidity	5,4 g/l
Res. sugar	5,7 g/l

Characteristics: DIE SOMMERFRISCHE is a white cuvée from 4 grape varieties: Grüner Veltliner und Müller Thurgau form the base, a touch of Yellow Muscatel and Sauvignon Blanc add a charming scent. Light yellow-green colour, an intense fruit fragrance with hints of green apples and elderflowers. On the palate, the wine offers an elegant fruit sweetness, a crispy acidity and a lively freshness. Experience DIE SOMMERFRISCHE - not just in summer!

Drinking time: Drink young! Best to enjoy during the first summer after harvest!

Serving temperature: 7 - 9° Celsius

Fits to: Great choice as an appetizer. Due to its exotic aroma the wine is also an excellent companion to the Chinese cuisine but also perfect to drink it icecold on a mild summer evening!
